The Way I Am Eminem 2009-10-27 Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am* Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."
